

Dear Parents/Guardians,

Welcome back to another school year! Whether your student participates in a sport in fall, winter, or spring, the registration process only needs to be done one time. Simply read the Middle School Athletic Code over with your student and complete the Athletics Registration form for all the sports he or she intends to participate in for the school year. Once all forms are completed and turned in, athletic registration for your student's school year is complete.

If you have any questions or concerns throughout the school year, please contact me.
Thank you,

Nathan Vlcek
